Gentlemen,

I beg leave to lay before you the Copy of a Letter with enclosure from the Deputy Commercial Resident at Nagore together with my reply—

It will no doubt appears to you that the manufacture of Earth Salt cannot be permitted to exist, without prejudice to the Sea Salt monopoly—and that the Contractor by including the former description of Salt in his proposal—& which has no Connexion with the Supply of Salt petre—has no other Object in view but to benefit himself at the Expence of the public.

To the Commercial Resident
Nagore

Sir,

I have the honor to acknowledge the receipt of your Deputy's Letter of the 27th January —

Every facility it lays in my power to exert shall willingly be afforded in support of the Salt petre Manufacture you have established in Dindigul — although I cannot permit consistent with existing Regulation the Manufacture of Earth Salt in any District subject to Superintendance —

according to the tenor of Armootalinga's Proposal — he offers 300 Star Pagodas for the exclusive Privilege of Manufacturing Earth Salt — a proposal that would materially interfere with the due exercise of Control over the Sea Salt Monopoly — because the Price now fixed on the latter Description of Salt makes it an Object of Interest with the public to prefer the Earth Salt —

Moreover By mixing Earth Salt with Sea Salt — great imposition is Carried on in as much as the Mixture is sold in the market at the Original Monopoly Rate of Sale —

Gentlemen,

The late heavy Rains having destroyed a large proportion of the Tanks in these Districts, my time and attention has been principally occupied in surveying the extent of the Damage, and estimating the Expense of Repairs —

10

To this effect a detailed Statement will here=after be furnished; in the meantime I beg leave to solicit your authority for such trifling Expenditures as are indespensably necessary to secure the remaining Water in the Tanks—

D

The produce of the Dry Grain has suffered material Injury from the violence of the Monsoon, and which is the Cause that the Kists in Dindigul and Madura are not realized with the usual regularity at present however I am under no apprehension that any Considerable Balance will accrue in the Course of the year— Delay may be the result, but, knowing the cause it would not be politic, at present, to enforce our Demands by Sequestration or Sale—

To the President and Members of the
Board of Revenue

Gentlemen,

Having in my Report on the Triennial Settlement of the Province of Dindigul omitted to state the probable Expense with which the Government would become chargeable for Collecting that Revenue, - I now beg leave to lay before you a Statement of the actual Expenditure to this date, with Estimate to the 12th July next, when the Lease will expire —

A Village Settlement although less expensive, when Compared with a Ryotwar Rent, - is nevertheless difficult to realize without the aid of a liberal Establishment of Servants; - in as much, as

it

it requires a very general interference with the proceedings of the Renters, to Stimulate their exertions and to Support them in their rights - whilst this interposition is equally beneficial to their Under tenants in preventing unauthorized Demands and regulating them upon principles of justice and Modera[tion]

In the Province of Dindigul where the evil of an irregular administration for three years, under a Zemindary tenure, had been felt - it became a Measure of first importance to admit these Considerations to have full weight, and I trust that with reference to the Scattered situation of the Talooks, intersected as they are by the Pollams - the Moyen Zabitah will not be found too expensive or numerous. - The only part which may seem to require explanation is the employment of a Separate "Head Cutcherry", an establishment I considered to be essential - adverting to the reduced rate of Pay allowed to the Ameens - the employment of my own time in a different dis[trict] and to insure the Correct and clear formation of all accounts connected with the Lease - by which our future Revenue arrangements can alone be satisfactorily adjusted

The Establishment of a Head Cutcherry - superintended by a vigilant Revenue officer - who was constantly on Circuit - together with my own occasional presence have produced all the advantages I anticipated from the arrangement whilst at the same time it has superseded the necessity I should otherwise have felt of requesting a very considerable increase to my Huzzoor Moyenzabitah -

In order that you may have a complete view not only of the Expence of Management of the expired period of the Lease - but also an Estimate to the 12th July; I have the honor to submit one Statement in which these Charges are Comprehended -

The Original Moyenzabitah amounted to

Star.

Vide Statement No. 1 Star Pagodas 351. 22. 40. pr. Month — it was subsequently reduced to Star Pagodas 346. 22. 40. and the Total Charges

Vide Statement No. 2 for three years including Sadervared is Star Pagds. 10988.18.27.

To Cover the Expence of Management, it affords me pleasure to add, that 5/6ths of the Sum may be defrayed from the Revenue of Dindigul without prejudice to the Istemrar Bereiz originally assessed by the late Collector Mr. Hurdis and that the remaining 1/6th of the Charge more than equals the amount of a Sum of Money in Deposit in my Treasury at the disposal of Government — The Items are as follows —

1st. The Increase of the Triennial Lease on the present permanent Settlement —

2d. Resumed Enams not included in the permanent Settlement or Triennial Lease —

3d. Cash Collected and in Deposit on acct. of Beetle and Tobacco Rents in Dindigul in 1807 paid by the Renter previous to the Orders of Government for abolishing the Rent —

The 1st and 3d of these Items require no explanation — and for detailed information relative to the 2d, I beg leave to refer you to Mr. Hurdis's Report, according to which the Resumed Enams were to be separately realized by the Collector and not annexed to the Permanent Jumma —

The accompanying Abstract Statements of these sums the following particulars —

		Star Pagds.	⨍	C.
Vide Statement No. 3	Triennial Lease 276,374. 22. 9. Permanent Jumma assessed by Mr. Hurdis 272953. 38. 59.

To the President and Members of the
Board of Revenue

Gentlemen

Para 1. Having completed a Statement of Demand Collection and Balance for January I have the honor to transmit it, together with my Reply to the Remarks made on a similar Document for July 1809 –

2d. I am aware that a considerable time has elapsed since the receipt of your Orders upon this subject, but unwilling to trouble you with reiterated apologies, whilst the obstacles to regularity continued to exist, I preferred remaining silent until I could carry them into effect. That period is now arrived, and which enables me to promise that not only all arrears will shortly be brought up, but that your Orders in future shall be attended to with every possible degree of attention –

3d. The accompanying Statement will shew that only a Balance of Star Pagodas 3612-19-65 is due by the Renters of Dindigul for Fusly 1218, and that the Rent for Fusly 1217 was realized without any arrear – For the Collection of the Balance arrangements have been made so as to relieve present distress, caused by unforeseen events, without eventual Loss to Government –

4th. The Balance against the Poligars of Ramnad, Shevagunga, Madura and Dindigul is reduc[ed] as you will observe, to Star Pagodas 740-12-8, of this amount the Sundiyoor Balance for the Current as well as former fuslies is the only one which may be considered difficult to realize.

5th. Sundiyoor formed one of the Assumed Pollams included in Mr. Hurdis's Permanent Settle=
=ment

[Margin note, pencil: [illegible] of [illegible] to put in possession of the hereditary Pollams]

-ment, but the Government having been pleased to restore the Poligar to his hereditary rights - he was accordingly put in possession, at the time I received your Instructions to dispose of the Circar Lands of Dindigul by public sale —

6th The principle of assessment adopted by Mr. Hardis in Sundiyore being the same as in the Estates &c which has lately undergone considerable modification whilst in this Pollam it continues as originally adjusted it would appear but consistent with Justice that the Poligar should be admitted to a similar indulgence with regard to his Zemindary as was manifested by Government towards all the purchasers of Estates. —

7th With regard to the extent of this indulgence, I am however not prepared to address you at present, but I trust that the Circumstances already stated will be a sufficient inducement to you to await a further — Report, previous to deciding on the measures to be adopted towards the Poligar. —

Ramnad and Shevagunga	3785-4-11
Dindigul -	72-12-61
Madura -	369-43-75
	4227-15-67

8th The Arrears due by the Renters of Farms and Licences are very considerable in Ramnad and Shevagunga, arising in the obstinate refusal of the Inhabitants to submit to any demands on account of Toddy &ca. &ca. in consequence of a Decision of the late Judge and Magistrate, Mr. Gregory "that the Regulations did not provide for such a Rent" —

9th The Renters are under restraint, and I am endeavouring to realize this arrear under Aumany, as much with the view to secure the Government against loss, as to convince the people, that these Taxes (paid

by

by them without opposition previous to the Judicial System) are still in force, and not to be withholden under any pretext —

10th With respect to the Balance due by the Renter of Cardamoms several references have been made by the Government of Madras to the British Resident in Travancore for an investigation into the Renters Claims to remission on account of certain Depredations Committed in the Cardamom Garden by People in the Service of the Rajah — I beg leave to recommend that this subject be again brought under the notice of Govt. for until it be adjusted the Renter will continue to withhold, even the means he possesses of fulfilling his Contract —

11th The present Statement having been care=fully revised so as to render it as intelligible as possible Contains all the other explanations you required from me relative to these Balances —

To the Chief Secretary to the Government
Fort St. George

Sir,

Having received several Representations from the Ranee in which she prefers claims to the property of her deceased Brother – the Deposed Poligar of Ramnad, I have the honor to submit the same, for the Consideration of the Right Honble the Governor General in Council —

The property itself is, I believe, of little value compared with the importance the Ranee attaches to the possession of it; consisting of articles which, according to the Custom of the Southern Countries descends immediately to the person succeeding to the Zemindary –

Independent of the Consideration I beg leave to remind you, that at the period of the Poligars deposition the Government in their public orders acknowledged the Ranee to be the sole Heir to his real and personal Property – & that agreeably to this Resolution the Zemindary of Ramnad was conferred on her in perpetuity,

I therefore beg leave to recommend that the Town major of Fort St. George (under whose charge the Property now is) be instructed to deliver it over to such Persons as the Ranee may appoint to receive the same —

To the President and Members of the

Board of Revenue —

Gentlemen,

Para 1st. When I received charge of the Province of Ramnad from the late Collector Mr Kinloch, I found

1 & 2. that engagements had been entered into between him and Mr D. Baboom for supplying the latter Gentleman with Shark-fins & other Marine productions, to be paid for on delivery —

2d. Under date the 19th September 1808 I addres-

No 3. =ed Mr Baboom, requesting him to authorize some per-=son to receive the articles then Collected —

3d. An agent on the part of Mr Baboom accordingly attended at Tondy, but who refused to pass his receipt for the same, under pretence that they were not quite in a state of perfection —

4. Your Board will observe that Mr Baboom only stipulated to receive them with the Commencement of June 1808 (the Contract to continue for three years) but as he altogether failed in his engagement, my predecessor dis-continued the fishery as well as the Establishment of Servants —

5th. Enclosed I have the honor to submit to you an

No 4 Account Current as delivered over to me by Mr Kinloch, and beg leave to recommend that the Commercial Resident at Ramnad be authorized to Collect the Balances out-=standing against the Fishermen & finally to make such arrangements as you may deem advisable for the sale of the articles already in Store —

6th. Mr Sulivan being charged with the superintend-=ance of Sea Customs, & with general Control over the Fishermen induced me to offer this recommendation —

Sir,

I have the honor to acknowledge the receipt of your Letter under date the 12th Inst. directing every exertion to be made to secure the safe & uninterrupted transmission of the public Mails -

Although no Instance of Letters having been opened has yet come to my knowledge, yet I concieve this a proper opportunity to state that the present mode of Conveying Packages &ca by Bangy is by no means secure, from the manner in which they are forwarded from the last Bangy Station -

The Bangy Package made up at the presidency is, I presume, opened at Trichinopoly but instead of being repacked all the Letters Papers &ca &ca for the whole of the southern Stations are given to the Runners without any direction or Cover, -

This arrangement must in fallibily lead to the frequent miscarriage of Letters - I therefore beg leave to recommend that the Bangy Packages be

be made up at Madras separately for each Station in the manner as Letters are conveyed by the regular Tappal – or that the Collector of Trichinopoly be directed to adopt this precaution previous to dispatching such Packages as may have reached that place by Bangy –

Gentlemen,

Para. 1st. I have the honor to acknowledge the receipt of your Secretary's letter under date 27th October, enclosing the Copy of an address from the Judge and Magistrate of this Zillah to Government relative to the Marriage of two of the Grand Daughters of the

late

late deposed Poligar of Verupatchee, and the propriety of permitting them to accompany their Husbands —

2.d From a Knowledge of the Character which the relations of Poligars maintain after deposition or Expulsion from their Hereditary Pollams, and the expectation they cherish that a Change of measures may at some period re-instate them, I am inclined to suspect that the intermarriage of one of these women with the Brother of the Expelled Poligar of Mungalum, a Poligar proscribed who died in exile in the Dominion of the Rajah of Cochin is neither prudent to permit or politic to Countenance — I have therefore deemed it My Duty to address the Judge & Magistrate of this Zillah requesting him to delay the marriage Ceremony of the Mungalom Poligar (which had not taken place when Mr Powney addressed Government) until he can receive further orders upon this Subject —

3.d With respect to the marriage of Valapah Naig Zemindar of Guntapanaigknoor altho' I cannot consistent with my general Opinion on the Subject approve of the Connexion, still as the Ceremoney has been performed, I see no immediate necessity for retaining his wife a Prisoner at Dindigul —
